

# SOHIL VAGHELA

## FULLSTACK DEVELOPER

### About Me

I am a passionate and dedicated Full Stack Developer with a Bachelor of Computer Applications (BCA) degree from KSV University. I have successfully completed a comprehensive full stack development course from Internshala, where I built an e-commerce project using React, JavaScript, Node.js, MongoDB, and Express.js.

### TRAINING

#### FULL STACK Development

##### INTERNSHALA TRAININGS

- Front-End Development:  
Learn HTML, CSS, and JavaScript to create responsive and interactive web pages.
- Back-End Development:  
Understand server-side programming with Node.js and Express.js. Manage databases using MongoDB and learn how to integrate them with your applications.
- Project-Based Learning:  
Build real-world projects such as an e-commerce site and a social media platform (Twitter clone) to apply your knowledge and gain practical experience.
- Version Control:  
Get familiar with Git and GitHub for version control and collaboration.
- Deployment:  
Learn to deploy your applications on platforms like render and understand the basics of cloud computing.
- Comprehensive Curriculum:  
The course covers essential topics, including RESTful APIs, authentication and authorization, state management, and more.

### EDUCATION

#### Bachlor of computer application

- N.P. College Of Computer Studies  
And Mangement kadi,gujarat
- Year of Passing: 2024
